

About PrimoPDF

PrimoPDF is a free tool for high-quality PDF creation, comprising a user-friendly interface that enables printing to PDF from virtually any Windows application.

PrimoPDF

A permanent fixture in the CNET® Download.com "Top 30", PrimoPDF is a free, high-quality PDF creation utility that enables printing to PDF from virtually any Windows application. PrimoPDF is the world's most widely-used free PDF creation tool, and is the #1 ranked "PDF Software" utility on Download.com.

PrimoPDF is the cornerstone of Nitro PDF Software's Free Family – our completely free range of PDF software with over 25 million users, comprising the world's #1 free PDF web browser extension, PDF Download; and the #1 free online PDF editor, PDF Hammer.

nitro^{PDF} software

Nitro PDF Software is one of the world's leading PDF software vendors and the company behind Nitro PDF Professional, the first true alternative to Adobe Acrobat. Headquartered in San Francisco, Nitro PDF Software has operations spanning North America, Europe, Asia, and Australia.

Nitro PDF Software products have won multiple "Product of the Year" and "Top Buy" awards, and are used by over 25 million people worldwide.
